

Girl Scouts

We can help your troop achieve these particular goals and requirements:

Make the World a Better Place - **Daisy** Outdoor Hiker, Science and Technology, and Naturalist Bugs - **Brownie**
Gardener, Investigation Detective, Flowers, and Animal Habitats - **Juniors** Naturalist Trees and Animal Homes - **Cadette**
Outdoor Adventures, Water Ambassador, and Naturalist - **Seniors**

Boy Scouts

Scouts of all ages will find that our programs can help with these particular badge areas:

Bird Study **Environmental Science** **Forestry** **Insect Study**
Mammal Study **Bird Study** **Nature** **Plants**
Reptile and Amphibians

If you are a leader of Tiger, Wolf, Bear or Webelos troops, please contact us for more information on how we can customize a program for you.

Additional ways we can work together!

Our Nature Center relies on the help of volunteer groups such as the Boy and Girl Scouts to help sustain us throughout the years. Many project ideas are available for you and your troop to participate in at any time and our project list is diverse. Some projects require outside work for an energetic troop or indoor projects for the low key days.

Here is a list of projects we would need assistance with from your troop:

- Repaint sections of visitor center and around the front desk
- Trail maintenance - this is always a need!
- Invasive species removal in our forests
- Community garden clean ups
- Volunteering for one of our special events
- And many more

For more information or questions on how to customize a program contact Chris Hendershot, Director of Education Programs, at 203-966-9577 ex. 1041, or email at chendershot@newcanaannature.org
