	Ideal for campers entering a 3s/4s preschool in fall  <i>(children must be 3 by June 1st)</i>	Ideal for campers entering a 4s preschool in fall	Ideal for campers entering Kindergarten in fall	Ideal for campers entering 1 <sup>st</sup> or 2 <sup>nd</sup> grade in fall	Ideal for campers entering 3 <sup>rd</sup> or 4 <sup>th</sup> grade in fall

### The Forest is a wonderful place (June 3- June 7)

Prowl the forests this week at camp as we roll over logs, creep through trees and shrubs, and sift the soil in search of creatures big and small who call the forest home. **(ages 3-5 only)**

### Sounds of Summer (June 10 – June 14)

Come make music with us and get in tune with buzzing bees, the frog chorus, bird songs, and more of nature’s symphony. Campers are sure to be singing and tapping after this week of unique harmony! **(ages 3-5 only)**

### \*Trees and Leaves (June 17 – June 21)

Experience the wonders of plant life as we learn more about how trees and plants grow and thrive. We’ll explore fields and forests to reveal how plants help us every day.

### \*Birds of a feather (June 24 – June 28)

Get up close with our birds of prey like Socrates the Great Horned Owl or Keera, our Red-tailed Hawk. Plus search the skies and forest canopy for more feathered friends that reside in the wilds of NCNC.

### \*Dirt Diggers (July 1 - July 3)

There’s more to dirt than meets the eye. We are going to dig deep to uncover what’s hiding in the soil. From decomposers to dinosaurs, fossils to fungus, plus other buried treasures - this week is sure to rock! **(3-day week)**

# Campers Ages 3 to 10

## Weekly Themes & Schedule

### \*Wacky Weather (July 8 – July 12)

It's going to be a wild and wacky week as we look to the sky to learn about various weather. From the different types of clouds, to water cycles, to how weather impacts us on the ground, it's sure to be interesting!

### \* Puddles and Ponds (July 15 – July 19)

Make a splash this week as we investigate how the puddles, ponds, and wetlands of NCNC are such a uniting force for many plants and animals! Plus, we'll have some fun catching frogs and other pond critters.

### \*Amazing Animals (July 22 – July 26)

Animal lovers unite! Fun animal themed games, sneak peeks at Animal Care to visit seldom seen critters in our collection, visits from animal ambassadors, and good old-fashioned tracking all come together this week. It's sure to be a wild time!

### \*Wild Things (July 29- August 2)

Uncover the "art of survival" as we learn from our animal neighbors how they find food and shelter. We will also learn how humans have relied upon nature for centuries by trying our hand at some survival basics like shelter building and fire building (in an age appropriate manner)

### \* Earth Helpers (August 5 – August 9)

Do good for the planet this week. We'll do some awesome activities and projects to give a little something back to Mother Earth as a "thank you" for all she does for us.

### \*Celebration of Summer (August 12 – August 16)

For the final week of camp, we'll enjoy all our favorite activities from the course of the summer. Frogs, worms, slip and slides, papier-Mache volcanos, mud painting, and any number of fun experiences will round out the season!
