Hidden Below (June 29 - July 2) *week discounted for 5-day groups*

We are going to dig deep to uncover what's hiding in the soil, there is more than what we can see on the surface that's for sure. From decomposers to dinosaurs, fossils to fungus, plus other buried treasures come unearh the fun!

Wonders of Weather (July 6 – July 10)

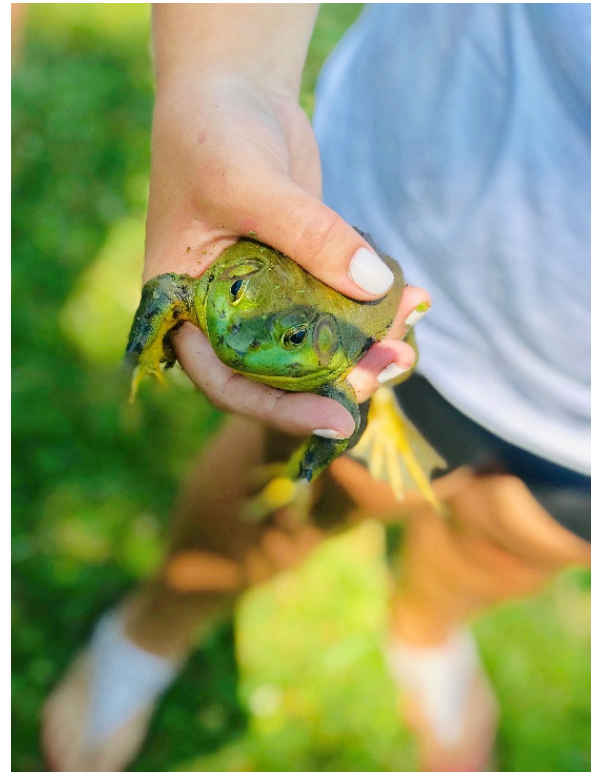

It's going to be a wonder filled week as we look to the sky to learn about various weather. From the different types of clouds, to water cycles, to how weather impacts us on the ground, it's sure to be engaging and a little bit wet!

Aquatic Homes (July 13 – July 17)

Make a splash this week as we investigate how the puddles, ponds, and wetlands of NCNC are such a uniting force for many plants and animals! Plus, we'll have some fun catching frogs and other pond critters.

Animal Adaptations (July 20 – July 24)

Test your human adaptations against our animal friends! Fun animal themed games, visits from animal ambassadors, and good old-fashioned tracking all come together this week. It's sure to be a wild time!

Campers Ages 3 to 10

Weekly Themes & Schedule

Survival (July 27- July 31)

Uncover the “art of survival” as we learn from our animal neighbors how they find food and shelter. We will learn how humans have relied upon nature by trying our hand at some survival basics like shelter building, knot tying, and compass reading.

Earths Keepers (August 3 – August 7)

Mother Earth needs our help. We will turn our eyes to how we can keep the planet safe for us and those to come. We’ll do some awesome activities and projects to give a little something back to Mother Earth as a “thank you” for all she does for us.

Summer Celebration (August 10 – August 14)

For the final week of camp, we’ll enjoy all our favorite activities from the course of the summer. Frogs, worms, slip and slides, mud painting, and any number of fun experiences will round out the season!
