

Holiday Season Scavenger Hunt

Write letters HERE as you find them:

As you explore the Nature Center property,
visit the Discovery Trail signs to find clues.

Each sign will provide 1 letter/symbol clue in **bold red**.

Example:

Record each letter/symbol as you find it and,
once you've found all **10**, unscramble them to reveal
the answer to the riddle below!

What do you get if you mix a vampire with a snowman?

Flip over for more fun!

At each trail sign, see if you can learn the answers to these fun trivia questions!

Email us your answers at mhips@newcanaannature.org to be entered for a chance to win a FREE bottle of NCNC-made maple syrup!

1. What is the state fossil of Connecticut? Bonus: When did it become the state fossil?

2. What percentage of the food we eat is pollinated by honey bees?
