

More about the Admissions Process

NOTE: Applications do not guarantee Admission. There are limited spots available.

For Currently Enrolled Families:

You will receive information via email directly from the Director with the opportunity to re-enroll for the following year and to enroll any siblings.

For Alumni Families:

Applications will open for Alumni Families on November 11th. The link to apply will be emailed directly to you on this date.

If you are an alumni family but not currently enrolled, please contact the Preschool Director with your interest.

For New Families:

We will open up applications for new families on December 3rd. We use an online system and the link will go up on the admissions page of the website on December 3rd.

There is an application fee of \$100. This covers administrative costs of navigating the complicated enrollment process.

An application does not guarantee enrollment. If your application has been accepted, you will be sent an enrollment contract that includes addition information on deposits and tuition payment plans.

You are only confirmed as enrolled once the enrollment contract and \$500 deposit are returned to us.

Once you are enrolled, you will get more information regarding paperwork, gear recommendations and the Family Handbook.

If we are fully enrolled, you will be able to submit your name to the waitlist for each class.

If your child is on the waitlist, the Director will reach out to you in a space becomes available at any time.

Please note: if you are applying for a class of 3-5 year olds, your child should be potty trained prior to the start of school. Please communicate with the Director if your child needs more support in their toileting.
