**Please note:** We will do our best to accommodate your animal requests; however, illness, medications, shedding or tiredness may prevent an animal from attending a party. In this case, our staff will choose another animal that best fits your choices or theme.

## Animals & Arts: Craft Options

**Choose one of the following crafts  
to create with your friends:**

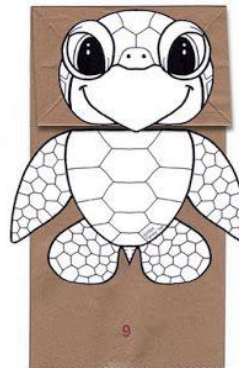

**Decorate your own birdhouse**

☐

**Rock painting**

☐

**Revive a Dino – Use clay and a  
skeleton figurine to create your  
own dino!**

☐

**Paper-based craft- examples  
such as paper bag puppets,  
paper plate animals**

☐

The Birthday Coordinator will confirm your choice.  
We are excited to host your craft party!

**New Canaan Nature Center**

## Science Investigation: Experiment Options

**Choose one of the following experiments to create with your friends:**

**Create your own bouncy balls:**  
Combine colors, pour the powders into the mold, soak them in water, and Voila!

**Lava Jar - A science experiment that can be used repeatedly!**

**Become a paleontologist and excavate an egg, each with a different toy model buried inside.**

Dinosaurs

Safari

**UV Bead Bracelet - beads that change color when exposed to sunlight.**

The Birthday Coordinator will confirm your choice.  
We are excited to host your science investigation!

**New Canaan Nature Center**
